AGC Questions for Agencies

Budget Update

Please provide a general update on upcoming and anticipated projects included in the approved FY2025 enacted budgets and the FY2026 Request. What is the breakdown of projects? By project types; By procurement/project delivery method (design-build, CMc, design-bid-build); By location.

Upcoming Rules, Regulations, and Policies

The federal construction industry constantly needs to aware for new rules, regulations, and policies that impact their ability to perform federal work. Please give an update on any upcoming rules, regulations, and policies that federal contractors should be aware.

OPEN DISCUSSION

- Questions from the floor.
